

**CAERNARVON TOWNSHIP
BERKS COUNTY, PA**

FIRE MARSHAL OFFICE

BLASTING REGULATIONS

Persons wishing to perform blasting activities in the township shall comply with the following conditions:

Application

1 – An application for a Fire Marshal Permit shall be completed and the current fee paid to the township;

2 – The person in charge of the blasting operation shall present themselves to the Municipal Offices during regular business hours and identify themselves through proper means (such as a valid PA drivers license) and present a current blasting license issued by the State of Pennsylvania. The means of identification and the current blasting license will be copied and placed in the fire marshal permit file.

3 – The applicant shall provide an original of a current Certificate of Insurance that names Caernarvon Township, Berks County as an also insured. This certificate shall be in effect for the length of the permit, and shall indicate a general liability limit not less than \$300,000.00.

Working Conditions

A – The licensed blaster shall be on the site before, during and immediately after the blast;

B – The licensed blaster shall assure that the operations at the site comply with 25 Pa. Code 211.55.
